

Dear Sixth Grade Student,

By now, you have most likely received your schedule for your brand new year in sixth grade! Welcome to Team Monsoon Season! Mr. Hugendubler, Mrs. Latimer, Mrs. Delaney, and Mrs. Pegher are anxious to meet you! Knowing how excited you must be to begin your new year in Hershey Middle School, we thought we would send you a supply list. Have no worries about the first day! We will make sure that you are able to find your classes, get to lunch on time, and get on the bus to go home (if you ride one). See you soon!

Sincerely,
Team Monsoon Season

Things you **DO NOT** need to purchase:

Dividers – These will be provided by each of your core teachers. They are labeled with appropriate titles.

The large binder – We have found that student organization is less than satisfactory with one large binder. Students are permitted to go to lockers in between some class periods to exchange books and binders.

Assignment book – All students are provided with a team-specific daily assignment folder. This is provided by the school district. It also contains team expectations and iPad etiquette.

Locker Accessories – We will **not** be using lockers at this time.
